Dear Len:

Enclosed is your new master contract for the period January 1, 1967
to December 31, 1968.

You will note that with the exception of the surgical schedule the
new contract is nothing more than a shell containing general pro-
visions. The benefit provisions are incorporated by simply inserting
a current brochure. In this manner the contract may be kept current
even after extensive benefit changes by the insertion of a new
brochure.

We feel certain that you will find this format much easier to maintain.

Sincerely,

N C Conway
